APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to prior rights. And especially subject to the right of P.N. Marker for stockwatering purposes.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One fourth cubic feet per second.

Actual construction work shall begin on or before July, 26th. 1912.

Proof of commencement of work shall be filed before August 26th. 1912.

Work must be prosecuted with reasonable diligence and be completed on or before March 26th. 1913.

Application of water to beneficial use shall be made on or before August 26th. 1913.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before September 26th. 1913.

WITNESS MY HAND AND SEAL this 12th day of June, 1912.

Cancelled because of failure to file

proof of commencement of work.

AUG 26 1912
